Dear Emily,

Thank you for sending BLUE MOON RISING. Julie shared this project with me -- we've now both had a chance to read and wanted to get back to you with our collective thoughts.

We were intrigued by the novel's supernatural premise, and immediately taken with the vivid Alaskan setting. We especially enjoyed getting to know Anna's character, though we felt that her voice could be inconsistent at times. In addition, we worried that certain aspects of the paranormal romance felt familiar, and that elements of the plot might overlap with forthcoming titles on our list. Given these concerns, we unfortunately won't be able to pursue this project further.

Thank you again for the opportunity to review Lynne's work, and best of luck to you both in finding the right publishing home for BLUE MOON RISING. We're sorry this one wasn't a better fit, and hope we'll be able to connect on another project soon.

All best,
Pam and Julie
